The O'Brien family of tough, durable trailer jetters all benefit from these features:

Kohler Diesel Engine

Tier 4, Final U.S. made diesel engine is quieter, has more torque, and lasts longer

Rugged Frame Design and Axle

ideally suited for heavy-duty applications

Rotating Hose Reel (190°)

hydraulically-driven hose reel allows for easy access to manhole regardless of position of trailer

Steel Shrouded Engine/Pump Compartment

with keyed access doors for added protection for the engine and pump from the elements as well as ample area for tool storage

Water Tank

tough polyethylene tank stands up to harsh weather and is backed by a **lifetime warranty**
